TILE DRAIN

Distinct Style. Supreme Quality.

In the art of perfect design every detail counts. Even the specific details as your floor drains can accent the distinguished look in your home.

With its seamless and sophisticated finish, TILE DRAIN has been specially designed to create a lasting and harmonizing impression in your interiors while advancing its function.

There's no need to get stuck with the limitations of the traditional drains, which are often problematic and unsightly. TILE DRAIN not only fuse function with beauty, its durability and value for money set the modern ideal DRAIN quality.
